New Parents and Scouts of Troop 32
Pomo District, Redwood Empire Council
Boy Scouts of America

Welcome to Boy Scouting and Troop 32!

We're delighted you chose Troop 32 for your Scouting experience. We believe that you'll be very pleased with your decision and look forward to many terrific Scouting years with you.

Troop 32 works to adhere to the Scout program and principles. We focus the Scouts on learning and demonstrating responsibility, character and leadership, all mixed in with a good dose of fun. Our Troop is a boy-run Troop, which gives the Scouts ample opportunity to learn and develop their leadership skills. We encourage the Scouts to be caring and respectful, and to return a portion of what they've learned here back to our community through service projects and back to the Troop by teaching and helping their fellow Scouts.

We understand that Scouts and their families lead very busy lives, and we ask that you make Scouting a priority. We believe that the opportunities in Scouting to do and learn and grow make it worth the return on investment. Scouting is about giving our boys an opportunity to grow and be challenged, both mentally and physically. It builds a foundation for a lifetime. The more a boy participates in Scouting, the more he will get out of it.

Our Troop program is designed to assist each new Scout who participates and puts in the appropriate effort to earn the rank of First Class Scout within his first two years in the program. Through continued participation in weekly Troop meetings, monthly outings, Scout activities, and service projects, each Scout will continue to progress through the ranks of Scouting. In Troop 32, we encourage each boy to attain the rank of Eagle Scout. We are pleased to welcome you and your son to Troop 32 and to the path of the Eagle Scout.

Yours in Scouting,

Ray Leonard
Troop 32 Scoutmaster
